EXPERIENCE THE GREEN BUILDING MOVEMENT AT Southeast Building Conference: July 30 – August 2 in Orlando

TALLAHASSEE – In celebration of the green building movement that's sweeping the nation, construction industry professionals will be treated to a true "green experience" during the 30th annual Southeast Building Conference (SEBC)/Florida Green Building Coalition (FGBC) GreenTrends event July 30 – August 2.

The 1,000-exhibit exposition features a special section of GreenTrends booths displaying the green products and services homeowners are demanding.

In addition, some of the nation's leading green building experts will present seminars on such topics as:

- Green Interior Design
- Turning Green Into Gold
- Green Building Quality and Certification
- Landscaping for Water Efficiency
- Reducing Your Carbon Footprint
- Understanding Green Products
- Green Building: Basic and Beyond
- Ten Steps to Green Remodeling

SEBC/GreenTrends also offers two professional designation courses for green builders: the two-day **Green Building for Building Professionals** and the full-day **FGBC Green Home Designation** course.

The **SEBC Press Room** (209 B) will be open for the entirety of the conference, and will include scheduled media events, trade show vendor media kits, and other amenities.

SEBC registration is free to members of the working media.
