

40th ANNIVERSARY AURORA AWARDS

Friday August 2, 2019

5:30pm Cocktails & Networking 6:30pm

8:30pm Dinner & Awards Ceremony

Elegant Attire Required

Established in 1979, AURORA Awards are presented annually to outstanding builders, planners, architects, developers, designers, interior merchandisers and other housing-related professionals. Residential and Commercial construction professionals actively involved in projects located in Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, Tennessee, Texas, Virginia and the Eastern Caribbean are eligible to participate.

Featuring 59 categories, the Aurora Awards encompasses all facets of the residential, commercial and remodeling industries. From overall design to sustainability, the awards program offers categories for each participant in the construction industry.

Celebrating it's 40th Anniversary, the Aurora Awards program is affiliated with the Florida Home Builders Association (FHBA) and the Southeast Building Conference (SEBC), one of two regional trade shows recognized by and affiliated with the National Association of Home Builders (NAHB).

ELIGIBLE ENTRIES

Any project or developments that was open for sale, lease or rental at any time after January 1, 2017 are eligible. On-the-Boards entries must have at least 1 governmental approval and have forward progress.

Entries from **Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Puerto Rico, South Carolina, Tennessee, Texas and Virginia** are eligible.

Previous AURORA Award winners are eligible for the 2018 program, if they meet eligibility criteria described.

EXCLUSIONS

Previous Aurora Award winners are not eligible in the same category, unless there have been distinct design changes. Projects for which the architect or builder is a member of the 2018 panel of judges are not eligible for the 2018 AURORA competition.

Please review the following information carefully.

If you have any questions, contact the AURORA Awards at 1.800.658.2751

Definition of Mixed Use Building

Mixed use refers to the combining of retail/commercial and/or service uses with residential or office use in the same building or on the same site in one (1) of the following ways:

- A. Vertical Mixed Use. A single structure with the above floors used for residential or office use and a portion of the ground floor for retail/commercial or service uses.
- B. Horizontal Mixed Use – Attached. A single structure which provides retail/commercial or service use in the portion fronting the public or private street with attached residential or office uses behind.
