Builder & Exhibitor Exchange

SIGN UP TODAY!

WHAT IS BEX?

At the SEBC Builder & Exhibitor Exchange (BEX), you'll connect directly with a curated group of purchasing decision-makers from leading production and high-end custom home building companies. This exclusive, fully hosted event is designed to spark meaningful conversations, generate new business, and build long-term partnerships through private, results-focused face-to-face meetings.

BEX kicks off on Monday, July 27, 2026, with a networking reception and wraps up just in time for builders to follow you into the SEBC Expo Hall and continue the conversation at your booth.

All participating builder companies commit to sending key decision-makers, ensuring your time is spent with qualified, engaged prospects. One week prior to the event, you'll receive your personalized appointment schedule and a full list of attending builders.

Exhibitor participation is determined through an application and review process. Space is limited, and selections are based on overall fit and alignment with builder interests—apply early to be considered.

Total cost includes the BEX event and one (1) standard 10' x 10' booth in the SEBC Expo Hall, as well as tickets to all BEX social networking events for two (2) exhibitor company representatives. BEX is NOT automatically included for all SEBC exhibitors.

“Last year’s BEX event was very productive for Installed Building Products (IBP). We were able to meet face to face with key decision makers we’ve been pursuing and engaged with builders we’ve never met before. As a result, IBP contracted with no less than three new large builders. We will be back!

“No doubt the highlight of all of the SEBC activities was BEX. What a great opportunity to meet face to face with top builder executives throughout the region. We came away from every meeting with action items that will ultimately lead to increased sales and revenue, as well as, build long term relationships with our builder partners. We will be back again.
